Question	Original Task	Note	Iteration No.	Note
First glance	unrefined		a lot more concise and dense	+ better format
What do I spot?	format sucks			
Reminds me of/to...	check conventions		check conventions	
How would I correct/rewrite?	denser proper conventions		+ terminology	
Check rewrite				
OK? Yes				
OK? No				
What I did not spot			WHAT I DID SPOT:	
Where?				
Why not?			"extra" as opposed to previous iterations	
If dunno, then			... | ... | ... structure when not used with numbers but with **Enable RDP 4** and	
Where do I check?			further options	
CHECK
